Education

Cornell University <i>Bachelor of Arts in Information Science 3.0 GPA</i>	<i>June 2027</i>
Coursework: Interactive Web Design, Designing Technology for Social Impact, Data Science, Networks, Statistics & Research Design, Information Ethics, Law & Policy, Intermediate Spanish,	
All Saints Cathedral School	St. Thomas, USVI
Achievements: <i>Valedictorian, 3.9 GPA</i> Territorial Poetry Winner	<i>June 2024</i>

Projects

Community Events Web Application - <i>React, Express.js, MongoDB, Node.js, Tailwind CSS, Figma</i>
- Engineered a full-stack MERN application with a RESTful API to manage event discovery and real-time RSVP functionality. - Designed high-fidelity Figma mockups and implemented a responsive, accessible UI using React and Tailwind CSS. - Optimized performance by implementing debounced live search and asynchronous client requests for efficient data retrieval.

Related Experience

House Manager & Cinema Attendant	Cornell University
<i>Cornell Cinema</i>	<i>Dec 2024 – Present</i>
- Lead nightly front-of-house operations and coordinate peer staff to ensure a seamless cultural experience for diverse audiences. - Resolve complex customer service issues in real-time, maintaining professional communication and guest satisfaction during high-traffic events. - Direct event logistics and POS data management with 100% accuracy, safeguarding the "operational integrity" of all institutional attendance records. - Studied 35mm film collections and digital projection UIs to better support the technical exhibition and stewardship of historical media assets	
Black Lives at Cornell (BLAC)BOOK Co- President and Art Director	Cornell University
	<i>Sep 2024- Present</i>
- Direct a 100-page publication: sketched concepts, built prototypes, and delivered to 500+ - Lead a cross-functional team of 5 E-board members to manage an annual budget and execute organizational strategy - Partnered with campus cultural orgs to expand visibility, increasing readership and event engagement across diverse student groups.	
Summer Library Intern	St. Thomas, USVI
<i>The University of the Virgin Island Orville E Kean Library via Department of Labor</i>	<i>June- Aug 2022</i>
- Managed the circulation desk and technical equipment lending to facilitate student and community research. - Utilized design platforms to create posters and social media content which increased student awareness of library resources and collections. - Managed and preserved archival materials, including obituaries and historical pamphlets, ensuring proper digitization and organization. - Streamlined inter-departmental communications and information distribution to maintain efficient workflow.	

Additional Experience and Involvement

Program Mentor Pre-Collegiate Summer Scholars Program (PSSP) Cornell University	<i>June- Aug 2026</i>
- Advocated for 15+ first-year scholars, serving as a liaison to staff while resolving conflicts and adapting program activities to meet student needs. - Tracked scholar progress using digital feedback tools to improve communication between mentors and leadership. - Developed promotional materials using Canva and Adobe Suite that successfully boosted student engagement and event attendance.	
Media/Control Public Affairs Intern	St. Thomas, USVI
<i>The Office of Senator Carla Joseph at the Legislature of the Virgin Islands</i>	<i>June – July 2024</i>
- Supported event setup and breakdown while troubleshooting technical issues in real time to keep broadcasts on schedule. - Executed multi-camera livestreams across Facebook, YouTube, and Vimeo, reaching 1,000+ daily viewers across the territory. - Maintained clear communication with hundreds of live viewers, ensuring seamless broadcast operations.
